**Description:**

The Industry Conclave, "Unleashing New Age Skillset & Career Option," was a resounding success, providing MBA 1st Year students with invaluable insights into the dynamic world of business. The event

featured four distinguished industry experts who shared their expertise and experiences, offering students a unique opportunity to learn from seasoned professionals.

The event began with a keynote speech from a seasoned industry expert who gave a broad overview of the current business world. They stressed the importance of having a positive attitude towards growth and learning, especially in today's fast-paced business environment. The experts shared their knowledge and experience, providing practical examples and advice on building a strong professional network, developing leadership skills and making decisions based on data and technology. The expert emphasized the need for continuous learning and adaptation in today's rapidly changing environment.

In the subsequent sessions, students were immersed in a variety of topics, providing practical examples and case studies to illustrate their points

Throughout the conclave, students actively engaged with the experts, asking thoughtful questions and sharing their own perspectives. The interactive nature of the event fostered a stimulating learning environment and allowed students to connect with industry professionals on a personal level.

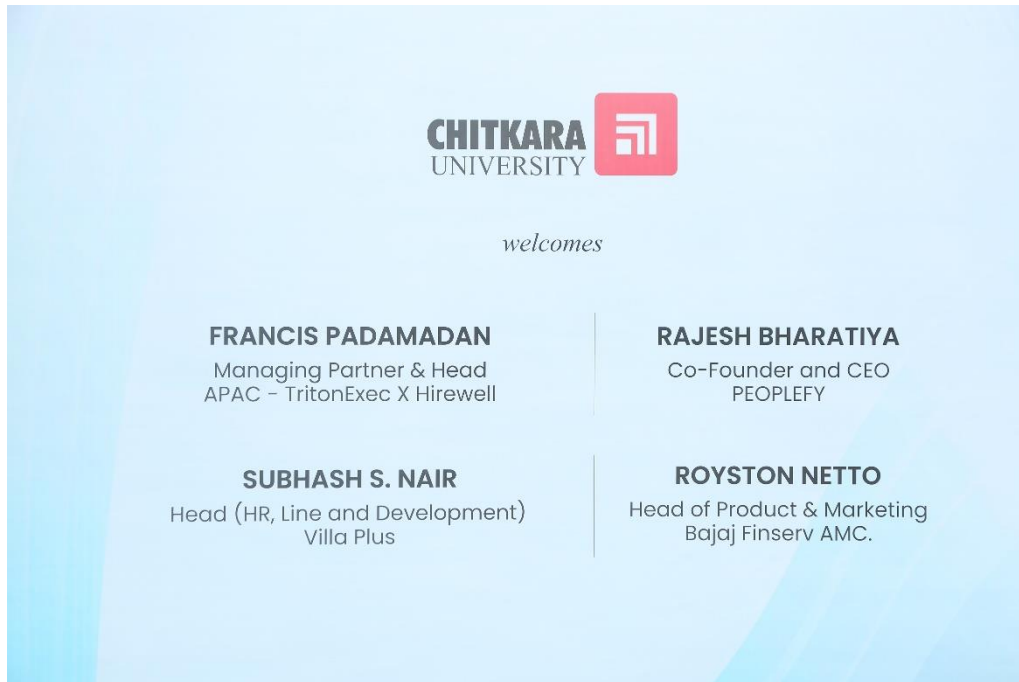

The Industry Conclave proved to be a valuable experience for the MBA 1st Year students, providing them with a deeper understanding of the industry and equipping them with the skills and knowledge necessary to succeed in their future careers. The event was a testament to the importance of bridging the gap between academia and industry, and it is hoped that similar initiatives will continue to be organized in the future.
