Topic	Mastering the Art of Literature Review
Date	2024 -05-29 to 2024 -06-04
Mode	Offline
Organizer Name	Dr. Amandeep Kaur and Dr. Shilpi Gupta
No. of Participants	17
SDG No	SDG 4: Quality Education , SDG 8: Decent Work and Economic Growth

Objective :

- 1.To Gain a thorough understanding of research methodology , including how to identify relevant literature and search databases effectively .
- 2.To Cultivate critical thinking skills necessary for analyzing and synthesizing existing literature , including identifying gaps , contradictions , and strengths in research findings .
- 3.Improve writing skills through the practice of summarizing , paraphrasing , and synthesizing information from diverse sources .
- 4.To Learn and practice different citation styles .

Description :

From May 29th to June 4th , 2024 , a transformative workshop at Chitkara Business School , Chitkara university unfolded for the bright minds of the 2022 batch of BCom and BBA Fintech students . Spearheaded by esteemed resource persons , Dr. Shilpi Gupta and Dr. Amandeep Kaur, the summer research program delved into the intricacies of mastering the art of literature review . With meticulous planning and a commitment to academic excellence , the workshop aimed to equip participants with essential skills vital for navigating the vast landscape of scholarly literature . Through engaging lectures , hands -on exercises , and interactive discussions , students were guided through the labyrinth of research methodology , critical thinking , and ethical considerations inherent in literature review . The conduct of the program exemplified a fusion of pedagogical expertise and practical insights , fostering an environment conducive to intellectual growth and collaborative learning . As the workshop unfolded , participants honed their abilities to synthesize information , analyze research findings , and articulate their ideas with clarity and precision . With each passing day, the program nurtured not just the intellect but also the spirit of inquiry and innovation , laying a sturdy foundation for future academic and professional endeavors . Summer research programs are pivotal for students , offering hands -on experience and fostering critical thinking .

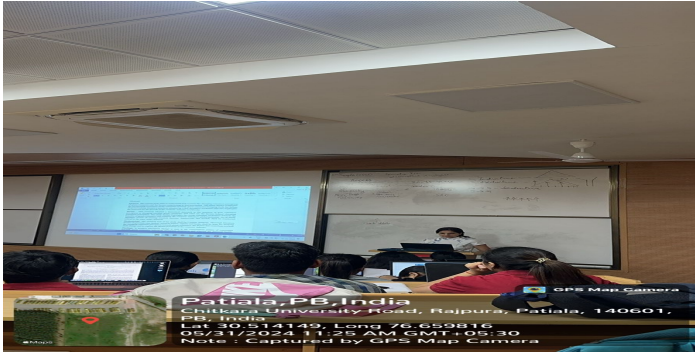

Outcomes :

- 1.Students learned the ways to explore various research tools and resources available for literature review .
- 2.Gained insight into the ethical considerations involved in literature review .
- 3.Prepared students for future research endeavors by mastering the foundational skills of literature review .

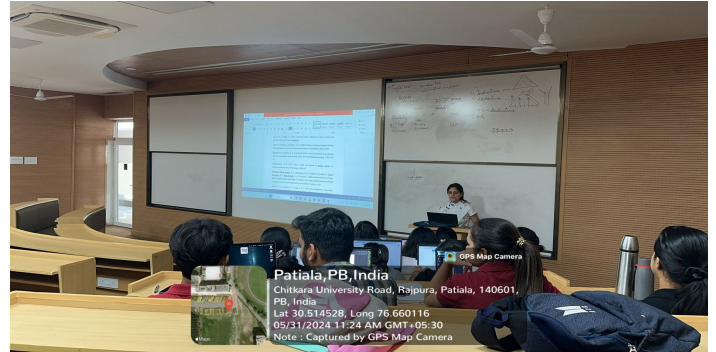

UG Programs Chitkara Business School

4. Developed information literacy skills necessary for effectively distinguishing between primary and secondary sources and understanding the scholarly communication process .
