### Objective :

- Provide students with advanced insights and practical applications of supplier scheduling and inventory management concepts .
- Facilitate opportunities for students to engage directly with industry experts , fostering professional connections and gaining exposure to real-world practices in supply chain management .
- Equip students with practical skills essential for success in purchase management , including vendor selection strategies , inventory optimization techniques .

### Description :

On March 12, 2024 , the SCM and General Management Department at Chitkara Business School , Chitkara University , Punjab , India , hosted a session on "Supplier Scheduling and Inventory Management ." Commencing at 3 pm , the event showcased Mr. Ravi Inder Singh , the distinguished Head of Purchasing at SKF Group in Malaysia , as the keynote speaker . Mr. Singh's wealth of industry experience served as a beacon , offering invaluable insights gleaned from the expansive operations of SKF Group in Southeast Asia . Through the session's duration , he meticulously weaved real-world scenarios and industry -specific case studies into the discourse , thereby imbuing theoretical concepts with tangible relevance and pragmatic applications within the supply chain domain . The interactive nature of the session proved instrumental in fostering a dynamic exchange between Mr. Singh and the engaged audience . Participants were encouraged to delve deeper into the subject matter through probing inquiries and insightful dialogues , thereby augmenting their comprehension of the complexities inherent in supplier scheduling and inventory management . Moreover , Mr. Singh embarked on an extensive elucidation of various facets within purchase management , encapsulating critical topics such as: Vendor Selection and Evaluation : Mr. Singh navigated through the intricacies of vendor selection , expounding upon the development of robust criteria , meticulous vendor assessments .

### Outcomes :

- MBA LSCM students gain a deeper understanding of supplier scheduling and inventory management concepts .
- Students establish connections with industry experts like Mr. Ravi Inder Singh , potentially leading to internship opportunities , mentorship relationships , or future employment prospects .

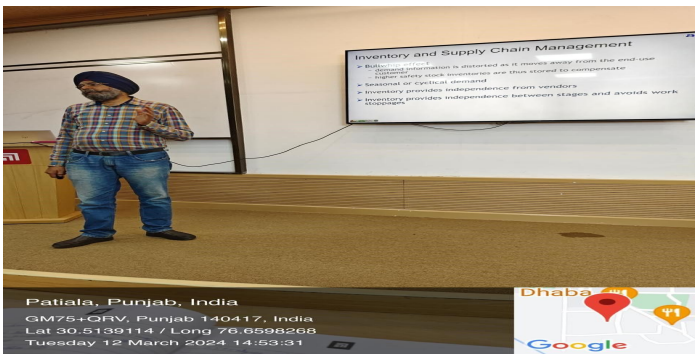

- Students develop practical skills such as vendor selection criteria development , inventory optimization techniques , and effective supplier relationship management strategies .
