### Objective :

- 1.To make the students aware about the industry requirements in terms of the skill set required .
- 2.To bridge the gap between classroom teaching and practical application of the Accounting , Finance and HR concepts
- 3.To give insights regarding the importance of financial stability of an organization .
- 4.To facilitate interaction with the industry personnel and know their perspective regarding the industry .
- 5.To make the students understand corporate culture .

### Description :

The industrial visit to Escalon provided valuable insights into industry practices and innovations , serving as a bridge between classroom learning and practical knowledge . Engaging in a dynamic panel discussion further enriched the students ' understanding , focusing on shaping their future in the professional landscape . During the discussion , the students explored diverse perspectives on upcoming opportunities , understood the significance of invaluable working experiences , and discussed the evolving skill set required for success . The exchange of ideas offered a comprehensive outlook on navigating the ever-changing career landscape . Equipped with these newfound insights , the students can harness them for future opportunities .

### Outcomes :

- 1.The students were able to get insights into various skills that would help them to get desirable jobs .
- 2.The students will be able to apply the acquired knowledge and experience to carve their path in the professional landscape .
- 3.The students gained some insights into the corporate culture .
- 4.The students got an opportunity to interact with the industry professionals .
